Rankings in parentheses are for 2006 alone (out of 106 communities)

* = City resides in more than one county, listed under the county with the most residential homesteads.

** = Two cities included in the survey are estimated to have slightly less than 3,500 in population. Breckenridge has an estimated population of 3,496 and Blue Earth has an estimated population of 3,489. Since Faribault and Wilkin counties did not have other communities in the survey, these two are
