

Capitol Pathways

End of Session Celebration Sponsorship

You're invited to celebrate a successful fourth year of Capitol Pathways, the only paid internship program in Minnesota creating a policy career pathway for college students of color!

Since 2016, the Capitol Pathways program from the Citizens League places college students of color in paid internships with government offices, nonprofits, corporations, and law firms where they can gain experience and build relationships in and around the Capitol during the legislative session. Join this year's students and their families, representatives from their host organizations, legislators, program alumni, community supporters, and other professionals in policy for an evening recognizing the achievements and bright futures of our cohort.

Help us celebrate the fourth successful year of this program by sponsoring this event!
